

The Monica Quilt

About The Quilt

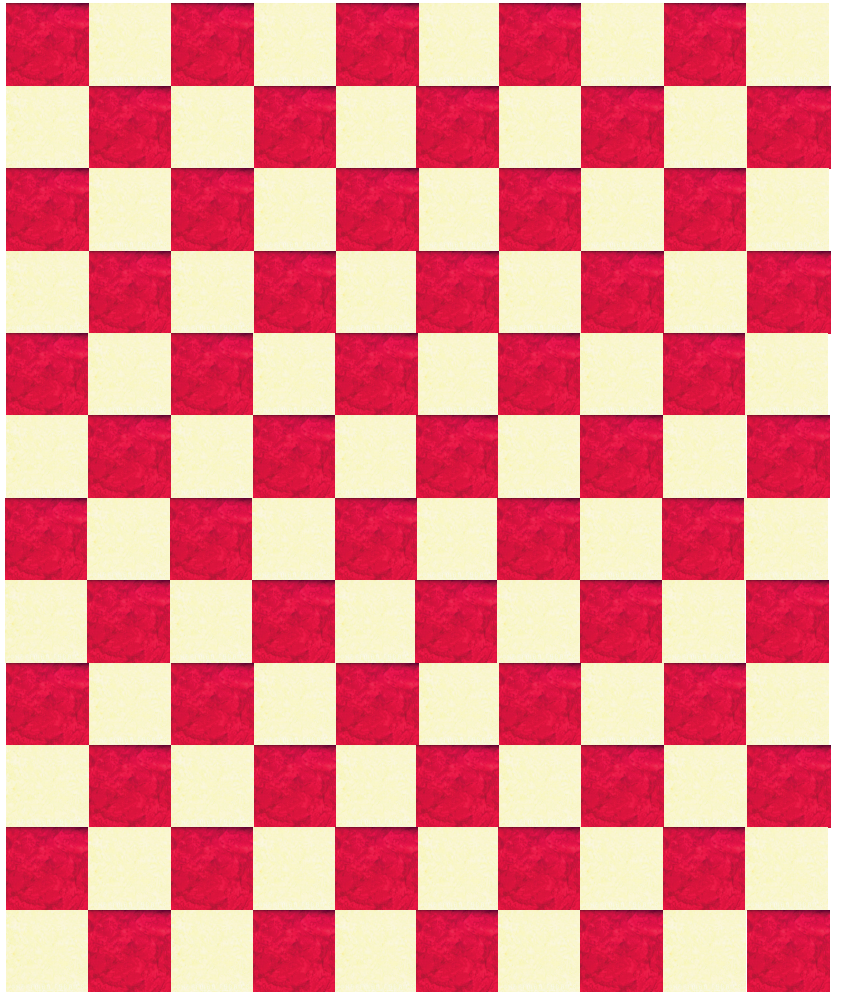

Finished quilt will measure 70" x 84" and features just two fabrics oriented in a checkerboard layout.

Level

Confident Beginner

Fabric Requirements

- Red Fabric: 3.25 Yards
- Cream Fabric: 3.25 Yards
- Binding Fabric: 1 Yard
- Backing Fabric: 5.5 Yards (40")

Fabric Requirements & Cutting Instructions

Fabric A: Red - 3.25 yards

- Cut (15) 7.5" x WOF strips

Fabric B: Cream - 3.25 yards

- Cut (15) 7.5" x WOF strips

Fabric C: Binding - 1 yard

- Cut (9) 2.5" x WOF strips

Before You Get Started...

Seam Allowance

The pattern assumes you're using a 1/4" seam allowance. To measure your seam allowance, gather 3 pieces of 2.5" x 2.5" fabric and sew into a row, then measure the width of the center block. The center block should measure exactly 2.0" wide. If it's larger than 2.0" - your sewing too close to the edge of your fabric. If the center block is smaller than 2.0", your sewing too far away from the edge of your fabric.

Fabric Requirements

Yardage requirements are generous enough to allow for starching before cutting.

Quilt Assembly

Assemble Strip Units

- Use (15) Fabric A and (15) Fabric B to sew together (15) strip sets of Fabric A/B.

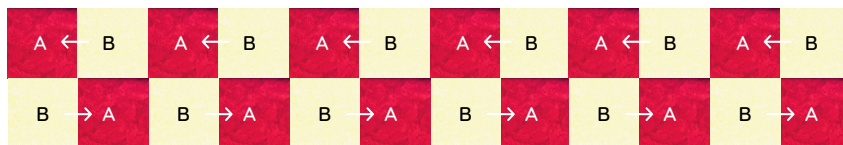

Sub-Cut 2-Patches

- From each of the (15) Fabric A/B strip sets, sub-cut (4) sections measuring 7.5" wide. After sub-cutting, you should have (60) two patch units, each measuring 7.5" x 14.5".

Build Row

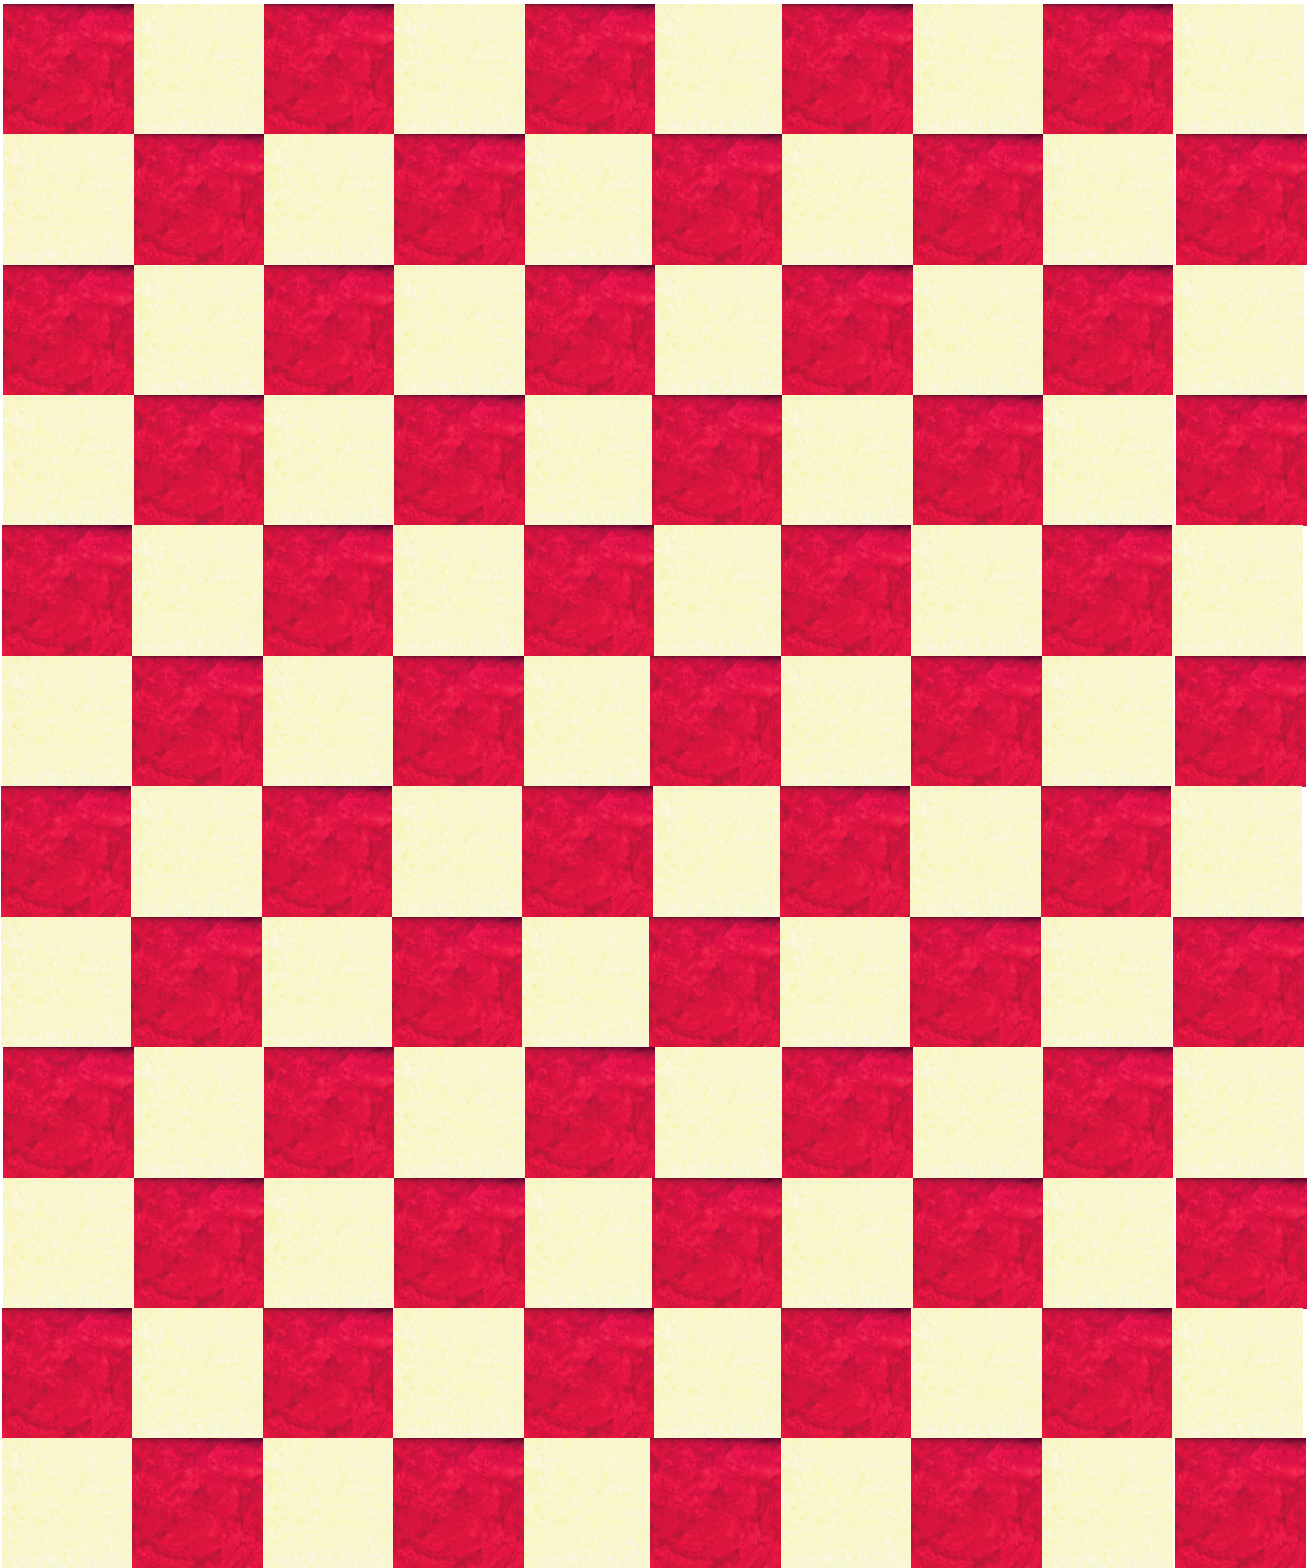

- Use (60) of the two patch units to create (6) rows of 10 alternating the position of Fabric A/B to create a checkerboard effect.

Sew the Rows Together

- Use (6) rows to sew them together ensuring that you continue the checkerboard effect.

Quilt layout

Quilt Size: 70" x 84"
